Parks turn into bars after dark

- **MCC says not enough funds to appoint watchmen for over 400 parks**
- **Residents seek more viable option: Well-lit parks with night patrolling**

Liquor bottles scattered at Rajendranagar Park** (left) **which has a gym facility and also in the premises of Maharaja PU College.

Mysuru, Mar. 25 (RK&BCT)- At a time when Governments and local bodies are being pressurised to come up with creative solutions to allow people to socialise safely, many parks in Mysuru city have turned into havens for alcohol addicts, drug abusers and anti-social elements.

As complaints on this menace flood the Mysuru City Corporation (MCC), the authorities say that the civic body does not have special funds to appoint security guards to man the over 400 public parks spread across all areas.

Many parks and open spaces are becoming drinking dens with ample evidence of alcoholic beverages being consumed by the boozers. The drunken revellers litter the park with empty bottles, cans as also plastic and left over food. Besides, cigarette and marijuana joint buds can be seen all over in such parks and open spaces.

Banks to be shut from Mar. 26 to Apr. 3

Mysuru, Mar.25 (RK&DM)- Banks across the country will be shut for several days starting from Mar.26 and ending with Apr. 3 as there are many holidays coming in between.

Meanwhile, the All India Bank Employees Association has called for a nationwide two-day strike on Mar. 28 and 29 to oppose the Government's move to privatise public sector banks and introduction of Banking Laws Amendment Bill-2021. The Banks will be closed on Mar. 26 on account of fourth Saturday and on Mar. 27 being a Sunday. With several Bank Employee Unions calling for a general strike on Mar. 28 and 29, banking services on these days too will be affected.

After working on Mar.30 and 31, the Banks will again close down on Apr. 1 due to closure of annual accounts; Apr. 2 for Ugadi and Apr. 3 being a Sunday.

Trade Unions call for nationwide general strike on Mar. 28, 29

Mysuru, Mar.25 (PM&DM)- The joint platform of Central Unions has called for a nationwide general strike on Mar.28 and 29 in protest against what it called the anti-worker, anti-farmer, anti-people and anti-national policies of the Union Government.

Announcing this at a press meet here on Wednesday, AITUC District President N.K. Devadas said that the strike has been called to protest the Central Government policies which are badly hurting the common man. Pointing out that the strike has been called with cries of 'Save the People and Save the Nation,' he said various Trade Unions like INTUC, AITUC, HMS, CITU, AIUTUC, TUCC, SEWA, AICCTU, LPF and UTUC are taking part in the strike.

A demonstration will be held in front of DC's Office at 11 am on Mar.28 and similar dharnas will take place simultaneously at all Taluk Headquarters. On Mar.29, a procession will be taken out from Gandhi Square at 11.30 am following which a demonstration will be staged at the Town Hall.

Energy Poverty' is a stark reality for around 1.3 billion people globally. And the age-old Indic climate ethics can provide solutions and practices to mitigate many climate issues we face today. Indic traditions consider nature as powerful and divine, seen in practices such as revering the rivers, mountains, trees, animals, and the earth. Although the famous Chipko (tree-hugging) Movement led by women is one of the widely known examples of exemplary Indian environmental leadership in recent times, numerous other environmental practices being followed for generations can help shape energy ethics for the planet even today.

For example, several rural communities such as the Bishnois, Bhils, and Swadhyayis have maintained strong practices to conserve their local ecosystems, such as water bodies, flora and fauna as part of their daily lives. When Bishnois are protecting animals and trees, the Swadhyayis are building Vrikshamandirs (tree temples) and Nirmal Nirs (water harvesting sites) and the Bhils are practising their rituals in sacred groves, they are simply expressing their reverence for nature according to Indic teachings and not "restoring the environment." They and several other communities do not view religion, ecology and ethics as separate but as an integral part of their dharma to treat nature with respect.

The one important environmental message Indic traditions can share with the rest of the world is that human beings must be grateful and protective towards energy resources as we stand to benefit from their proper usage. Ancient beliefs and traditions are a strong indicator of Indic climate ethics and are closely linked to the well-being of the people and environment on this planet. It is time the rest of the world embraces these practices. *— Pankaj Jain in The Times of India*

Man collects thousands of four-leafed clovers

Bern: Julio, a 30-year-old Swiss educator has an impressive collection of four, five, six and even seven-leafed clovers, which just might make him the world's luckiest man.

Clovers with more than three leaves are considered lucky charms in many cultures and if a person's luck would be measured in the sheer number of such clovers in their possession, a Swiss collector of rare clovers would almost undoubtedly be the world's luckiest man.

Thirty-year-old Julio has been collecting lucky clovers since he was only nin, and has since amassed an enviable collection of 3,467 four, five, six and even seven-leafed clovers laminated to protect them from the elements.

Rare comic book auctioned for 2.4 million dollars

New York: The ultra-rare "pay copy" of 1939's Marvel Comics #1 sold for more than 2.4 million dollars in an action.

Auction site ComicConnect said the rare comic book, which features the first appearances characters Namor the Sub-Mariner and the Human Torch (an android precursor to the more well-known Marvel character from the Fantastic Four), sold for 2,427,777.65 dollars after 33 bids.

Stephen Fishler, the Chief Executive of ComicConnect, said the buyer in the most recent auction wished to remain anonymous, but he described the collector as a man in his 40s who lives outside the United States.

Birth anniversary celebrations of Dr. Jagjivan Ram, Dr. Ambedkar

Deputy Commissioner holds meeting

Mysuru, Mar. 25- The 115th birth anniversary Dr. Babu Jagjivan Ram on Apr. 5 and 131st birth anniversary of Dr. B.R. Ambedkar on Apr. 14 should be celebrated in a meaningful manner, said Deputy Commissioner (DC) Dr. Bagadi Gautham.

He was addressing the preparatory meeting held recently at the DC's office where it was discussed to hold both the celebrations at Kalamandira on the respective days.

As COVID guidelines are still in place, decision regarding holding the procession on both the Jayanthis will be taken only after taking Government's guidelines, he added.

Dr. Babu Jagjivan *Dr.Ambedkar*

The meeting also discussed about inviting Justice Nagamohan Das, Prof. Aravinda Malagatti, Prof. Durgadas, Prof. Kalegowda Nagawara and Prof. Nataraj Huliyar as the main speakers.

Social Welfare Department Joint Director Malathi and other leaders were present.

Signal jumping rampant at busy junctions

Sir,

On my way to office, daily I pass through the three traffic junctions in the morning as well as in the evening — KRS Road - Vontikoppal junction, Jayadeva Hospital - KRS road junction and Hebbal Ring road junction.

Signal jumping has become rampant at these three busy junctions especially during peak hours inconveniencing fellow motorists who abide by the traffic rules.

Unfortunately, I do not see any Traffic personnel at these junctions to regulate the traffic.

A few days back, I was waiting for signal to turn green at Jayadeva Hospital junction and a helmet-less bike rider, brushed with my two-wheeler and drove away.

In another instance recently at Vontikoppal junction, a bike rider was about to collide with my two-wheeler.

Similar signal jumpings are common every day at these junctions as there is no one to manage or regulate the traffic.

What is the necessity of simply installing traffic signals and allowing riders to violate the rules and later collecting fines?

Prevention of violation of rules must be implemented. I hope, the authorities concerned will wake up and take needful action.

Upgrade facilities at K.R. Hospital

Former MLA Vasu writes to CM on the need for high-tech medical equipment, staff

Vasu

Mysuru, Mar. 25 (BCT)- There is a desperate need to upgrade the century-old Krishnarajendra Hospital (K.R. Hospital) and include more and more facilities to cater to thousands of poor and economically weak patients who come here from Mysuru, Mandya, Chamarajanagar, Kollegal, Gundlupet and also Kodagu, said former Chamaraja MLA Vasu.

In a letter to Chief Minister Basavaraj Bommai, he said that the Hospital, along with the Cheluvamba Hospital is grossly inadequate to cater to the population needs and every day thousands of patients come here. The OPDs at all Departments are full and people are forced to stand in long queues to avail treatment, he said.

The Hospitals were built by the Maharajas according to the population 100 years ago and when the Hospitals were built, they were self-sufficient to the population then. There were very few patients then but still the infrastructure was developed to top standard by the Wadiyars.

Now with the rapid increase in population, even diseases have increased. With the advancement of technologies, more and more difficult and life-threatening ailments have surfaced. But sadly, the medical infrastructure has not been scaled up to match the advent of diseases. The healthcare infrastructure has been neglected over the years and the result is that facilities like K.R. Hospital have suffered lack of upgrades.

To treat the latest diseases, more advanced and high-tech equipment is needed and K.R. Hospital terribly falls short. Shockingly, there is not much modern equipment and even if there are materials, there is a shortage of expert staff to handle the equipment, Vasu stated in his letter.

Crucial Departments like Nephrology, Oncology, Cardiology, Psychiatry and other important wings do not have doctors, Professors and Assistant Professors. They don't even have paramedical staff, nursing staff and D Group staff, he wrote.

"It is impossible to run a hospital of this magnitude and patients coming in critical condition are being turned away to either NIMHANS, Bowring or Victoria Hospitals in Bengaluru where the condition is even worse," he stated, urging the CM to take immediate steps to improve the condition of the K.R. Hospital.

Vasu has given a copy of his letter written to the CM to Mysuru District Minister S.T. Somashekar, Health and Family Education Minister Dr. K. Sudhakar, Mysuru-Kodagu MP Pratap Simha and MLAs S.A. Ramdas, L. Nagendra and G.T. Devegowda.

'Issue *Saaguvali* chits in 10-km radius of urban limits'

G.T. Devegowda

Bengaluru, Mar. 25 (KMS& DM)- Expressing displeasure over the Revenue Department's action of not issuing 'Saaguvali' chits (Letter of cultivation) to farmers who own lands in 10 km radius of urban areas, Chamundeshwari MLA G.T. Devegowda (GTD) has urged the Government to issue *Saaguvali* chits to farmers in urban areas who have been cultivating land for generations.

Speaking during the debate on Budget at the Legislative Assembly on Wednesday, GTD citing an example, said that areas such as Kumbarakoppal, Manchegowdanakoppal and Kannegowdana Koppal in Mysuru which were villages decades ago, have not come under the City Corporation limits and urged the Government to issue letter of cultivation to farmers in urban areas to cultivate land, which are under cultivation for generations.

Suggesting the Government to allow half of urban land holdings of farmers for cultivation and keep for itself the other half for usage as burial grounds, play grounds or such other public utilities, GTD asked the Government to abolish the rule that does not allow issuance of 'Saaguvali Chit' to farmers in 10 km radius of urban areas.

Lauding the Revenue Minister for launching 'Jilladhikari Nade Halligala Kadege,' the MLA wanted the Government to ensure a 7-hour (3 hours during day and 4 hours during night) uninterrupted three-phase power supply for pumpsets of farmers so that they can sufficiently irrigate their land.

Recalling his village stays when he was the Mysuru District Minister, G.T. Devegowda said that he undertook 235 village stays and visited 2,352 villages during which the officials disposed off 84,000 of the total 1.23 lakh applications that were received then.

Cloth bag scam: State orders investigation

Mysuru, Mar. 25 (BCT)- The State Government has ordered an investigation into the alleged cloth bag scam where former Mysuru Deputy Commissioner and the present Commissioner of Hindu Religious and Charitable Endowments Rohini Sindhuri has been accused of misappropriation of funds.

In the past, K.R. Nagar JD(S) MLA S.R. Mahesh had accused Rohini Sindhuri of corruption in the cloth bag distribution scheme as part of a plastic-free campaign in Mysuru district when she had served as Mysuru DC.

He had alleged that the IAS Officer had placed an order for 14.71 lakh cloth bags at a price of Rs. 52 a piece, which amounted to Rs. 7.65 crore, meant for distribution to households in all Urban Local Bodies (ULBs) of the district, including Mysuru City Corporation (MCC).

He had claimed that the cloth bags were actually available for Rs. 13 a piece in the retail market in Mysuru. Under the scheme, every household was to receive two bags — one with a capacity to carry 5 kg and another 10 kg, he said.

Alleging kickback in the scheme, which had led to a loss of more than Rs. 6 crore to the State exchequer, Mahesh had contended that the scheme was taken up without bringing the matter to the notice of any ULBs in the district.

The State Government has now ordered a probe into the purported scam. Soon after the allegations surfaced, Rohini Sindhuri had dismissed the charges as false and unfounded.

She had clarified that the work order for cloth bags distribution scheme was given to State-run Karnataka Handloom Development Corporation (KHDC) and added that the order was placed in compliance with Karnataka Transparency in Public Procurements (KTPP) Act.

Power tariff hike from April 1?

Bengaluru, Mar. 25- Soon after the steep hike in edible oil, Petrol, Diesel and LPG prices, the Government in yet another blow to the common man, is all set to hike power tariff from Apr.1, with Electricity Supply Companies (ESCOMs) exerting pressure on the Government for a steep tariff hike in order to overcome rising expenses of production, transmission and distribution.

With CESCOM, BESCOM, GESCOM, HESCOM and MESCOM submitting a proposal to the Government seeking a hike of Rs.1.50 to Rs.2 per unit for all category of consumers, the KERC (Karnataka Electricity Regulatory Commission) held public meetings across the State from Feb.14 to 28 to seek objections and suggestions.

Several organisations and Industrial bodies have urged the Government not to hike power tariff as people are yet to come out of the effects of COVID pandemic.

No power crisis during summer, asserts Minister

Even as ESCOMs are battling with rising operational costs, Energy Minister V. Sunil Kumar said that there will be no power crisis during summer and as such there is no necessity of announcing power cuts.

Speaking at the Legislative Council on Wednesday, Sunil Kumar said that the Government has taken measures for ensuring that there is no shortage of coal, which is vital for power production. Asserting that the State has excess energy, he said that Karnataka is now capable of selling power to other States. There is no question of either load shedding or unscheduled power cuts, he maintained.

MUDA reclaims encroached land in Gokulam

Mysuru, Mar. 25 (RK&DM)- Resuming it's drive against encroachment of its lands, the MUDA (Mysuru Urban Development Authority) in an early morning operation today, reclaimed encroached land coming under Maragowdanahalli Survey No. 210 in Gokulam, worth crores of rupees.

The then CITB (City Improvement Trust Board) in 1945, had acquired 5.08 acres of land coming under Maragowdanahalli Survey No. 210 from one G.S. Rangaswamy Iyengar by paying compensation. Later, the CITB formed Gokulam locality covering most parts of the said land, while leaving some space along KRS Road for future development. But a few years later, some persons had illegally erected sheds and built unauthorised structures on this vacant land, that is located close to Gokul Theatre on KRS Road.

Now, following directions from MUDA Commissioner Dr. D.B. Natesh, the officials, armed with acquisition records, demolished the illegally built structures using earth moving machine and reclaimed the land.

The operation was carried out under the guidance of MUDA SE Shankar, AEE Ravindra, AE Puttu Nagaraj and other staff.

Attempt to steal iron rods

Miscreants run over auto on man for trying to prevent them

Mysuru, Mar. 25 (RK&KS)- A house owner sustained injuries when two miscreants ran an auto over him when he tried to prevent them from stealing iron rods which was kept in front of the house.

The incident took place near R.T. Nagar Ring Road yesterday afternoon and the injured house owner was treated as an outpatient at a nearby private hospital.

The injured house owner is Balakrishna, a resident of Rabindranath Tagore Nagar (R.T. Nagar) in city. Balakrishna, who had constructed a house, had kept excess iron rods used for the construction in front of his house.

At about 1 pm, two persons, who came in an auto, saw the iron rods and began loading them into the auto. Balakrishna, who saw the thieves loading the iron rods through the window, began to shout at them.

Alarmed, the thieves started the auto and sped away from the spot.

Balakrishna, who began to chase them on his two-wheeler, tried to intercept the auto but lost control of the bike and fell down. The thieves then tried to run over him and it is learnt that the thieves ran over the auto on his legs. But Balakrishna somehow got up and caught one of the thieves tightly.

Meanwhile, passersby, who saw Balakrishna struggling, rushed to his help, caught hold of the thief, thrashed the thief and handed him (thief) over to the Police while the other thief fled from the spot after leaving the auto behind.

Kuvempunagar Inspector Shanmuga Varma and staff, who reached the spot, arrested the thief and seized the auto. A case has been registered and the Cops have launched a hunt to nab the absconding thief.

As there are only a few houses in R.T. Nagar and its surroundings, the Police have urged the residents to be very vigilant as thieves would be prowling to commit robberies.

Only one Toll Plaza in 60-km of Natl. Highways

New Delhi, Mar. 25 (Agencies)- Union Transport Minister Nitin Gadkari on Tuesday announced in the Lok Sabha that there will be only one Toll Plaza for a distance of 60-km on National Highways and if there are more than one Toll Plaza, such facility will be closed down in the next three months.

In a video posted on his official twitter account, the Union Minister said, "It is illegal to have more than one Toll Plaza for a distance of 60 kms and I have told this many times. But it is running as we get money. Now, I assure this House that in the next three months, all additional Toll Plazas in that 60-km distance will be closed."

Nitin Gadkari also said that India is making great progress in technology and that green fuel will reduce the cost of electric automobiles. He reiterated that bringing the cost of green vehicles will be on par with petrol-run vehicles in the next two years.

Gadkari also highlighted the need to shift to cost-effective indigenous fuel and said that this fuel will be a reality soon, bringing the pollution levels down and improving the overall situation in the National Capital.

Two killed after coming under moving trains

Mysuru, Mar. 25 (KS)- In separate incidents, two unidentified persons were killed after coming under moving trains in Mysuru Railway Police limits.

In the first incident, an unidentified man, aged between 30 and 35 years was killed, when he came under a moving train between Metagalli and Belagola Railway Stations.

The deceased was wearing a green round neck T-Shirt with while coloured sleeves and a cream coloured pant.

In the second incident, an unidentified man, aged between 45 and 50 years and wearing a light blue coloured full arm T-Shirt and blue jeans pant, died after coming under a train between Yeliyur and Byadarahalli Railway Stations.

The kith and kin of the deceased, if any, may contact Mysuru Railway Police Station on Ph: 0821-2516579, according to a press release.

Bribe to pass tender

Exhibition Authority CEO trapped by ACB

B.R. Girish

Mysuru, Mar. 25 (KS)- The Anti-Corruption Bureau (ACB) Police have caught the Chief Executive Officer (CEO) of Karnataka Exhibition Authority (KEA) while accepting bribe from a contractor to pass the tender.

The CEO who was trapped is B.R. Girish. A tender was called for cleaning and maintaining gardens at the Dasara Exhibition premises and one Charan, proprietor of R.C. Business Solution at V.V. Mohalla had obtained the tender. As per the rules, the tender was to be passed within seven days of the completion of the tender process, but CEO Girish had not passed the tender even after 20 days.

On Mar. 18, Girish had reportedly demanded Rs. 1 lakh from Charan to pass the tender, following which Charan had lodged a complaint with ACB Police. Yesterday at about 5 pm, when Girish was receiving the bribe at his Office, the ACB sleuths swooped upon him, caught him red handed and arrested him.

Ukraine returnees want to pursue medical education in India

Submit separate memorandums to Chief Minister and Prime Minister through Mysuru DC

Mysuru, Mar. 25 (PM&BCT)- Even as Medical Education Minister Dr. K. Sudhakar had made an announcement that the State Government will help 700 medical students, who returned to the State from war-torn Ukraine, continue their education in 60 Karnataka Medical Colleges, a group of students and their parents from Mysuru met Deputy Commissioner (DC) Dr. Bagadi Gautham at his Office here yesterday and urged him to make arrangements for their studies in Karnataka.

Separate memorandums were submitted to the Chief Minister and the Prime Minister through the DC and the delegation comprised over 30 students, who returned through 'Operation Ganga' and their parents.

Thanking the Centre for launching 'Operation Ganga' to bring thousands of students from the strife-hit country through emergency flights, the students mentioned in their memorandum that they had to go to Ukraine as they did not manage to get seats in Karnataka Medical Colleges due to high fees and other costs.

They said that all of them were from middle-class families and their parents could not afford medical seats here and they were forced to go to Ukraine as that country offered affordable medical education. They mentioned that they returned to India with hopes of continuing their education when they go back to Ukraine.

But the war there with Russia showed no signs of abating and as such, they are compelled to stay in India and they are in neither-here-nor-there situation. As such, the Governments must come to their rescue and allow them to continue their education here.

They claimed that there is not much of a difference between the Indian medical education and Ukraine medical education and said that if absorbed in Indian medical colleges, they would adjust to the curriculum.

On his part, the Medical Education Minister has clarified that the students will not be officially absorbed into the Colleges and no additional fee will be charged.

Before the students are allowed to pursue medical education, a high-level committee has been formed comprising the Principal Secretary of the Medical Education Department, Director of Medical Education, RGUHS VC, among others.

The committee has been asked to submit a report on possible ways to rehabilitate the students. Based on the report, the State Government will request the Centre and the National Medical Council to take necessary measures.

TB being detected among those recovering from COVID: Minister

Bengaluru, Mar. 25 (Agencies)- Health and Medical Education Minister Dr. K. Sudhakar said that Tuberculosis (TB) has been detected among several people who have recovered from COVID-19 and the Government has sought a detailed report on this.

Speaking at an event organised by the Health Department on the occasion of World TB Day on Mar. 24, he said, "For the first time in India, tuberculosis screening has been conducted by the Government for those who have recovered from COVID-19 in the State. Among 25 lakh people who were tested, 144 people were found to have tuberculosis. These people have contracted tuberculosis after recovering COVID-19," he said.

The Government has sought a detailed report on the incidence of TB in COVID-19 recovered patients. The State Government is committed to make Karnataka TB-free by 2025, he said adding

Dr. K. Sudhakar

that TB, like COVID-19, is a contagious disease.

"COVID-19 is caused by a virus and TB is caused by a bacteria. The WHO has said that the entire world must be made TB-free by 2030. This cannot be done just by doctors and the Government. The entire society needs to join hands and work collectively to achieve this target," he noted.

Dr. Sudhakar suggested that people must undergo a test if any of these symptoms are seen — cough for more than two weeks, fever in the evening, sudden weight loss etc.

"In rural areas, people don't get tested even if they are unwell. One TB patient can spread the disease to at least 10 people. If this happens, one person's negligence will end up harming others. So, a lot more awareness has to be created about TB. The State Government is spending more than Rs. 5 crore every year to create awareness about diseases," he added.

Dr. Sudhakar said that on the detection of a contagious disease people should not stigmatise the patients. "We need to end such stigma in society. Such stigma will cause mental and emotional distress among patients. We must work towards supporting these people emotionally. Additionally, once it is identified that a person has TB, they must be guided to isolate and ensure that others in their family are kept safe," he said.

Felicitation to MLC Dr. D. Thimmaiah tomorrow

Mysuru, Mar. 25- Karnataka Rajya Hindulida Vargagala Jagruta Vedike will felicitate MLC Dr. D. Thimmaiah at a programme to be held at Vijnana Bhavan in Manasagangothri campus at 5 pm tomorrow (Mar.26).

Announcing this at a press meet here yesterday, Vedike President K.S. Shivaram said that 'Sama Sadviveka,' a book on activist Prof. K.S. Bhagawan will also be released on the occasion.

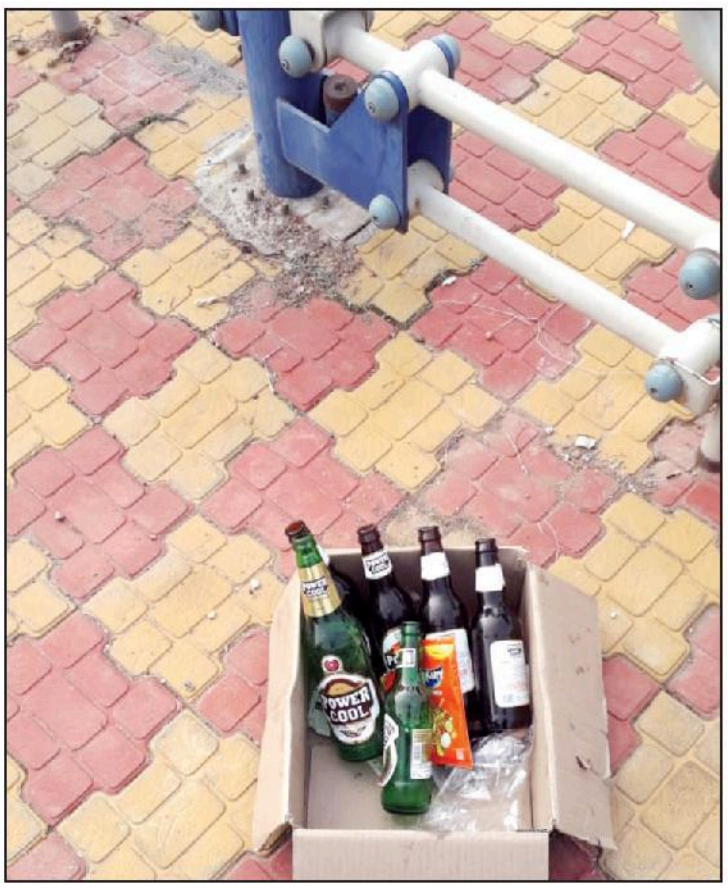
Stating that former Chief Minister Siddharamaiah will release the book following which Dr. D. Thimmaiah will be honoured, Shivaram said that writer Prof. C. Naganna will speak about the book.

He further said that Additional Director of Backward Classes Welfare Department at Bengaluru, M. Ramaiah will be conferred 'Bhagyavidhata Sri Siddharamaiah' State award and added that writer Mahesh Sosale's work 'Kannada Naadalli Bahutvada Dhaaregalu' will also be released on the occasion.

District Savitha Samaja President N.R. Nagesh, leaders Yogesh Uppar, Lokesh Kumar Madapura, Mahendra Kaginele, D.P. Prakash, Mysuru Basavanna and R.K. Ravi were present at the press meet.

Parks turn into bars after dark

The pathetic scenes at Rajendranagar Park.



(Continued from page 1)

The primary reason for parks turning into safe haven for criminals and drug addicts is the absence of sufficient security guards. The broken walls, multiple entrances and broken or stolen lights add to the lack of security.

Take the park at Rajendranagar in Ward 15 for example. Local resident Issac Rajarathnam told *Star of Mysore* that the park has become a haven for vandals and drug addicts and the area automatically becomes out of bounds for civilians after 7 pm. Despite many complaints, no action has been taken and the residents surrounding the park live in an atmosphere of fear.

"This park was constructed as a public utility where women and children could walk and senior citizens could relax in the evenings. Unfortunately, all the stone benches have been broken by miscreants," he said.

"Seniors and women are unable to walk inside the park and we are often heckled by gamblers under the influence of alcohol. We have complained to the Police Station many times and even the area Corporator is not bothered," he added.

Fence damaged

Like the Rajendranagar Park, the open space in front of Maharaja PU College in the heart of the city too is in a bad shape with burnt grass, liquor bottles and waste strewn all over. Residents have also complained about a park in Ward 11 Rajivnagar and the park next to Vidyavardhaka College near Vijayanagar Water Tank. There is a bar near the park and many people carry liquor and beer bottles to drink inside the park. For easy entry, they have pried open the metal fence at a couple of places. Here, drinking and gambling sessions go on till late in the night and bottles are left in as-is, where-is condition. Many Police warnings have no effect on them.

CORPORATORS REACT

Ward 15 Corporator Pradeep Chandra said that he has received many complaints from the residents of the area regarding alcoholism at Rajendranagar Park. "The MCC does not have separate funds to appoint watchmen to all the over 400 parks in Mysuru. However, the onus is on the public as they must understand that the vacant spaces must be meant for relaxing and not for alcohol consumption and drug abuse.

Former Mayor Ayub Khan regretted that though facilities like gyms have been provided in the parks by the MCC, most of the open spaces are misused. "In addition to the 400 existing parks, there will be many more parks in the city under MCC if the Mysuru Urban Development Authority hands over the layouts developed by it. I suggest the area residents must form local committees to keep a watch over parks," he said.

Vijayanagar food zone to be shifted

Yes, the park near the Vidyavardhaka College opposite a bar turns into an anti-social-infested area every evening and weekends. They have cut open the chain link fences to enter the park and all night through they indulge in drinking and gambling sessions. I have got many complaints regarding this. I am planning to clean the entire area and shift the Vijayanagar food zone to this park so that there is constant public movement. Lack of public movement and lack of lights have made this park a haven for drunkards. The existing Vijayanagar food zone can be converted into a walking area.

—M.U. Subbaiah, Corporator, Ward 20, Vijayanagar

Public must have civic sense

I have brought this to the notice of the City Police Commissioner and the District Minister many times and unfortunately, the parks of the city are becoming a haven for drunkards. I have even issued notices to the MCC environment engineers and other staff for regular supervision of parks. Even the MCC's Abhaya teams can join the Police teams in park surveillance. Moreover, the public should understand and they must care about the open spaces.

'Theatre needs movements rather than activities'

Mysuru, Mar. 25 (GA&DM)- Maintaining that today the theatre needs more movements rather than activities, senior theatre personality H.S. Shivaprakash bemoaned that the theatre had failed to become a massive industry, despite having all the activities.

He was speaking after inaugurating 'Niranthara Ranga Utsava,' a five-day Theatre Festival organised by the city's Niranthara Foundation at RamaGovinda Rangamandira in Ramakrishnanagar here on Wednesday.

Stating that he cannot understand in which direction the theatre is heading, Shivaprakash opined that though theatre activities have resumed on a full-scale post the COVID pandemic, it is not much known what is achieved from them.

Stressing on the need for a 'Human and Humanitarian investment' rather than financial investment in the theatre, Shivaprakash stressed on the need for focussing more on local plays. It must not be forgotten that everything that is not local cannot reach the national or international level, he observed.

Senior theatre personality H.S. Shivaprakash addressing the gathering after inaugurating 'Niranthara Ranga Utsava' at RamaGovinda Rangamandira in Ramakrishnanagar on Wednesday. He is flanked by Prasad Kundoor of Niranthara Foundation and Bengaluru's Income Tax Commissioner Jayaram Raipura. Picture right shows artistes of Niranthara theatre troupe enacting Kannada play 'Vaarasudara' on the inaugural day on Wednesday.

Opining that the theatre must not follow history and instead be an indicator of history, he asserted that a play can do what a cinema cannot do. As such, it can be said it is the theatre which creates history, he added.

Niranthara theatre troupe artistes enacted 'Vaarasudara,' a play scripted by Bengaluru's Income Tax Commissioner Jayaram Raipura. The play was adapted and directed by Prasad Kundoor.

Earlier, Surendra and team presented 'Pooja Kunita' performance. Jayaram Raipura, Niranthara Foundation's Prasad Kundoor and others were present.

Plays will be staged at 7 pm on all days till Mar. 27. Yesterday, the play 'Maaya Bete' was staged by Bengaluru-based theatre troupe Drushyakavya.

Today (Mar. 25), Niranthara Foundation will present the play 'Saayo Aata' penned by Jnanpith awardee Da.Ra. Bendre and directed by B.K. Kiran and K.Y. Guruprasad.

Jadeja to lead CSK

After Dhoni, Ravindra Jadeja to lead CSK in IPL 2022.

Mumbai, Mar. 25 (UNI) - India's star all-rounder Ravindra Jadeja will be leading the Chennai Super Kings (CSK) in the 15th edition of the Indian Premier League (IPL) as Mahendra Singh Dhoni on Thursday decided to step down as CSK skipper.

Jadeja, who has been an integral part of CSK since 2012, will only be the third player to lead the CSK after Dhoni and Suresh Raina. "Dhoni has decided to hand over the leadership of Chennai Super Kings and picked Jadeja to lead the team. Dhoni will continue to represent CSK this season and beyond," the franchise said in a statement on Thursday.

Dhoni had led CSK in 204 matches since 2008. He won 121 matches, lost 82 and one match was ended in a tie. Under Dhoni's leaderships, CSK won IPL in 2010, 2011, 2018 and 2021.

CSK also emerged victorious in the erstwhile Champions League T20 tournament in 2010 and 2014 under the charismatic leader's captaincy.

Owing to Dhoni's leadership, CSK holds the records of most appearances in the playoffs and the final of the cash-rich league.

The franchise has reached the final on nine occasions and have made it to 11 playoffs in 12 seasons.

The four-time champion CSK will begin their IPL campaign on Mar. 26 against two-time winners Kolkata Knight Riders at Wankhede Stadium in Mumbai.

12 girls from Kodagu in State Junior Hockey team

To make a mark in 12th Hockey India Junior Women National Championship at Kakinada from today

Kushalnagar, Mar. 25 (Akshay &BCT)- The Junior Women's Hockey players from across the nation have a golden opportunity to showcase their skills at the 12th Hockey India Junior Women National Championship, which began today (Mar. 25) at Kakinada in Andhra Pradesh.

A total of 26 teams will vie for top honours in the competition including the Karnataka team that has 12 players from Kodagu. Kodagu district has contributed many hockey champions to the national and international events including the Olympics.

In the team are: P. Dechamma Ganapathy, B.J. Jeevitha, Seema Anandarao Pawar, B.M. Keerthana, H.S. Jahnavi, Taj Belliappa, S.B. Nisarga, H.B. Siddaganga, H.A. Apsara, K.J. Dilan, T.C. Suchitha and H. Mani. The girls from Kodagu form a formidable force in the 19-member team.

D.N. Tejaswini and C.M. Sahana of Hassan District, Kaveri R. Lenkannavar of Dharwad District, Tamil Nadu-based B. Deepika and Andhra Pradesh-based Vudumula Sowmya who are at present coaching at SAI (Sports Authority of India) Centre Madikeri and Kushee M. Jain from Bengaluru will also represent the Karnataka team.

Participating teams

The participating teams include Hockey Haryana, Goans Hockey and Hockey Madhya Pradesh in Group A, while Pool B features Hockey Jharkhand, Manipur Hockey and Assam Hockey. Pool C includes Hockey Maharashtra, Telangana Hockey and Le Puducherry Hockey, meanwhile, Hockey Chandigarh, Hockey Unit of Tamil Nadu and Hockey Uttarakhand have been slotted in Pool D.

Hockey Association of Odisha, Delhi Hockey and Kerala Hockey have been included in Pool E, while Pool F features Punjab, Chhattisgarh Hockey and Hockey Himachal. Pool G features Uttar Pradesh Hockey, Hockey Bihar, Hockey Rajasthan and Hockey Mizoram, while Hockey Andhra Pradesh, Hockey Karnataka, Hockey Bengal and Hockey Gujarat has been included in Pool H.

Matches from Mar.25

The Karnataka girls will play their first match against Gujarat on Mar. 25 and fight with Andhra Pradesh on Mar. 27 and with West Bengal on Mar. 29. The team will enter the quarter-finals if it wins against all three teams.

After six days of pool matches, the quarter-finals will be played on Mar.31, the semi-finals on Apr. 2 whereas the medal matches of the 12th Hockey India Junior Women National Championship 2022 are scheduled on Apr. 3.

The Karnataka team has brought laurels to the State in thFe matches held in New Delhi, Assam, Haryana, Jharkhand and Kerala. As of now, there is no player from Kodagu in the Indian National Team either from Kodagu or Karnataka. The participation of 12 players from Kodagu in a single team has raised hopes of at least four or five of them making it to the National team.

Team well-prepared

The team has already been trained well in Bengaluru and the players are confident of making big in the championship. At Kakinada, all the teams have been acclimatising to the ground and weather conditions as the humidity is high. "Our preparations for the tournament are going great and our confidence is high as we are well-trained and we are sure of bringing laurels to Karnataka," said Dechamma Ganapathy.

In the recently held India Camp in Bengaluru, Dechamma Ganapathy, Tejaswini, Sowmya, Sahana, Kushee, Deepika, Kaveri had participated. While Tejaswini was captain-cum-goal-keeper, Suchitha was the goal-keeper.

B.M. Komala is the team coach and Dharmendra is officiating as Manager.

WORD OF THE DAY

Besmirch

Pronunciation: bih-SMERCH.
Meaning: Besmirch means "to cause harm or damage to the purity, luster, or beauty of something."
Origin: Since the prefix be- in besmirch means "to make or cause to be," when you besmirch something, you cause it to have a smirch. What's a smirch? A smirch is a stain, and to smirch something is to stain it or make it dirty. By extension, the verb smirch came to mean "to bring discredit or disgrace on." Smirch and besmirch, then, mean essentially the same thing.
Example: "In a must-have game for the season, Texas must have had one blown opportunity after another in a contest besmirched with critical personal foul penalties, poor blocking and Thompson's first pick six, a play that completely turned the outcome of the game. And perhaps the season." — Kirk Bohls

THE ODD WORD

Baccivorous

Eating berries.

PHRASE OF THE DAY

Brownie points

Meaning: You use the expression 'Brownie Points' to indicate a nominal mark of achievement or some kind of kudos for the performance of a positive or creditable act.
Origin: The term 'Brownie points' is a direct reference to the Brownies, a group of junior Girl Scouts who earn rewards based on merit. The term has been popular since the 1940s; an early example comes from a 1951 Los Angeles Times article called Brownie Points – A New Measure of a Husband: "You don't know about brownie points? It's a way of figuring where you stand with the little woman – favor or disfavor. Started way back in the days of the leprechauns, I suppose, long before there were any doghouses."
Example: "I'm going to earn plenty of brownie points for taking care of all these chores without being asked."

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
